Section General News

Waitangi Park Bouldering

These 3 boulders have been erected in Waitangi park for the purpose of bouldering. We are lucky to get anything, as the budget has been slashed. They stand about 3m tall, and we can create more features on these rocks if there is not enough.

It is going to be interesting to see what these rocks are going to be like. These rocks are going in by the bouldering / climbing walls, around the skate area.

Climbing Camp a Success Despite Rain

The weather in the lower South Island was not the greatest over the New Year period but there has still been a large amount of positive feedback received by the office regarding this year's annual climbing camp in the Rees Valley. A big thanks needs to go out to the Otago Section and all the work put in by the many people involved with planning, organising and running this event. There was a large marquee, hot tub and hot showers to ensure that while little climbing could be completed, great social times could be had instead. The next climbing camp is being organised by the Canterbury Westland Section and further details will be published at www.alpineclub.org.nz soon.

Homer Hut

Builders should now be on site at Homer Hut working on the long waited renovations to this important climbing hut. Please ensure that you spread the word that the hut is closed for the next couple of months while this work is going on. Once work is complete the hut will have a completely refitted living and kitchen area, two well appointed bunkrooms and the end bunkroom will be the new wardens quarters. We will be organising an opening of the new look hut before winter and this should be an excellent time to celebrate the completion of this major club project. In the second half of the year we will be advertising for the position of Homer Hut warden. If you are interested, or know someone that would make an excellent warden please make it known to the National Office.

Maps

The section has been donated a selection of NZ Map Series 260 Topo Maps and a map cabinet where they are stored hanging. These are available for section members to borrow as reference material (note they are not folded and are not to be used for trips).

As the cabinet is too large to be stored in Turnbull House the maps can be obtained by contacting Caroline Duggan,
cd@nzalpine.wellington.net.nz or 477 6589. For a full list of available maps please contact Caroline or check out the website (www.nzalpine.wellington.net.nz).

Section Trips

Trips are a key part of the section, so if anyone has an idea about a trip, no matter how vague, come and chat to Merewyn Ellis (trips@nzalpine.wellington.net.nz). China Trip

The idea of a climbing trip to China in October/November this year is taking shape. Pat Deavoll, who told us about her first ascent of a mountain in Western China at our last section night, has made some very useful recommendations about climbing objectives. For those not interested in bagging a peak, there will also be rock-climbing and trekking options. Some section members have said they're interested, An email group has also been set up. To suscribe, send an email to china-subscribe@nzalpine.wellington.net.nz. To post messages, email china@nzalpine.wellington.net.nz. The group is restricted to subscribers to prevent spam.
