UPCOMING CLUB TRIPS

Wellington Section Trips

Trips are a key part of the Wellington Section. Trips can be of any length, any level of difficulty, and any size. As we organise the Summer Trip Schedule we seek your input and engagement:

- What trips do you want to see on the schedule?
- Which trips are you willing to organise/lead?

We are looking for outings in our traditional activities, i.e. mountaineering and rock climbing, but we also recognise that our club consists of people with a large spectrum of outdoors activities. So if you are interested in organising a trip for tramping, mountain biking, trail running or similar activities we welcome your initiative. Note that trip members are required to be adequately trained and self-sufficient, so if you offer a trip it means, in most cases, organising the logistics rather than guiding folks through the terrain. So don't be shy!

In order to present a variety of attractive outings we rely on the community of members to become involved and we invite you to step forward with your suggestions and/or by volunteering as a trip organiser. Please send all input to Hinrich Schaefer (h.schaefer@niwa.co.nz). We look forward to a fun, challenging, and enticing trip schedule for the upcoming summer.
