Graham Zimmerman: CMC New Zealand Mountaineer of the Year 2010

On July 21st successful Kiwi / American climber Graham Zimmerman will be awarded the CMC-New Zealand Mountaineer of the Year Award in Christchurch for his climb on Mt Bradley, Alaska in 2010.

After learning to mountaineer in New Zealand while attending Dunedin University, Graham has gone on to climb in Nepal, Alaska, Patagonia and Yosemite. His aim is to be proficient in all forms of climbing from sport to high altitude, and he feels New Zealand is a great place to gain a good grounding.

As part of a national tour of NZAC Sections Graham will be visiting Wellington to talk on his recent expeditions.

Graham says...

"The presentation I am currently putting together is a two-part expose on why I think that New Zealand climbing is super legit. It does this by making a brief explanation of my experience 'cutting my teeth' in the Southern Alps and then goes through two trips from 2010, one to Patagonia one to Nepal (generally showing why the skills I learned in New Zealand were so important, dealing with things like long approaches, bad weather, steep terrain, weird conditions, failure...). The second half will be focused on the ascent of Mt Bradley in Alaska. It is two 45 min halves, it will be a full multimedia experience with pictures, music, movies and of course my mug yakin away."

Zimm has also requested that we put on a bit of this:

"I find that a little liquid social lubricant gets folks way more stoked at this kind of event which makes things a lot of fun."

Club nights are at Turnbull House, on the first unimpeded Monday of every month. New and prospective members are welcome. Meetings and talks start at 8.00 pm with club business and tea & coffee afterwards. Meet for dinner at the Backbencher public bar at 6.30 pm and on to Turnbull House at 7.30 pm for a catch up.

September club meeting: ClimberTube BYO videos, and AGM

5 September, 2011

8.00 pm to 10.00 pm

Well we've run out of speakers temporarily so we thought for something novel we'd let you the members share your favourite climbing video clips with us all at the ClimberTube BYO vid evening.

So get downloading now and bring along some short sharp vids. The rules are bring them on a memory stick, keep them short and punchy, and they must be in keeping with the objects of the club and be of PG rating. We should have the technology to handle most video formats. We are also considering awarding a prize for the audience favourite.

Before the fun starts though we will be holding the AGM of the Section which should take about 30 minutes.

Notice of AGM

At this club night we will first be holding the 2011 AGM for the Wellington Section. This is a most important meeting in our annual calendar and we encourage all members to attend.

This year we will be considering the adoption of a new set of rules for the Section. The old rules are out-moded for example it stipulates that the Section Levy be set at 5 Shillings ! Time to download the latest Rulez plug-in.

Also as usual will be the Election of Officers. Don't wait to be invited onto committee – if we don't know that you're keen and interested then how can we know to ask? Please put your hand up anytime and you'll be welcome.

All nominations for committee positions should be sent to The Secretary or alternatively nominations will be taken from the floor.

Ski Mountaineering North of the Circle – Lyngen Alps

John Nankervis

Paul Lynch (lapsed Welly Sectioneer) and John Nankervis found themselves at Tromso in the north of Norway late April/early May this year. They got their ski legs back on the ski hill above Narvik, scene of fierce naval and land battles early in WW II. They then moved to Lyngseidet, in the heart of the magnificent Lyngsalpene (Lyngen Alps) . Based at a friendly hostel there, they made a series of ski ascents on both sides of the peninsula, usually starting within metres of the fjord shoreline.

The peaks climbed were between 1150 and 1400 metres - Kavringtinden, Storgalten, Fastdalstinden and Tafeltinden, finishing off with Blatinden in the neighbouring area of Tromso Fastland . Although there was some snowfalls and avalanche risk conditions tended to stabilise quite quickly. On a rest day Paul and Nank drove into Finnish Lapland to replenish beer supplies and witness some rather unusual Finnish celebrations of the arrival of spring.

Background

The Distaghil Sar Memorial Trust Fund was inaugurated in 1997 as a memorial to Andy Boas, Chris Hoare and Steve Thornley who died in the Karakoram Mountains in August of 1996 whilst attempting an ascent of Distaghil Sar (7,885m). In 1997 family and friends of Andy, Chris and Steve, the Wellington Section and its members made substantial donations to inaugurate the fund. A further substantial donation was made in 1999. The fund has subsequently become established as a memorial to all other Wellington Section members who have died whilst climbing. Further information about the Distaghil Sar Memorial Trust Fund can be found on the Wellington Section's website at <http://www.nzalpine.wellington.net.nz/club-activities/the-distaghil-sar-award/>

On Saturday we will explore "Matihao" Cathedral Rocks with seven standard routes that are one to two pitches. On Sunday we can explore "Tukino" from the crater side, five standard routes but many lines are possible depending on conditions, again one to two pitches or we can make the traditional and very rewarding Pinnacle Ridge Traverse (grade 2+) likely from top to bottom.

All participants on this trip will need to provide experience details and the organizer needs to reserve the right to limit who participates in this trip for safety reasons.

September 10-11: Mt Taranaki

Trip organiser: TBA

Based in Tahurangi Lodge on the East side of the mountain; one day will see us heading to the summit by any of a choice of more or less technical routes. On the second day there is the option to up the ante or explore some of the cliffs that offer great rock climbing.

Wellington Section contact: Hinrich Schaefer

Backcountry ski enthusiasts from all North Island NZAC sections gather at Tukino Hut on the East side of Mt. Ruapehu for this meet. Through the ski field there is great access to the terrain up high.

November 18-20: Castle Hill

Trip organiser: TBA

Nobody who is serious about rock needs an intro to bouldering and climbing at Castle Hill. We'll head over to the South Island and and pull, crimp, balance, dyno, smear and hook as long and as hard as you want.

Wellington Section library – be where the action is

The Wellington Section is in need of a new librarian. It's a simple enough role that puts you in the heart of the action:

- Manage the Section's exciting library of books, DVDs, and VHS video cassettes
- Take charge of the library's budget, and buy whatever takes your fancy. New books! New movies! The choice is yours.
- Opportunities abound to meet fellow librarians (pictured left).
- Applications are now being accepted – please email James Wright at chairperson@nzalpine.wellington.net.nz for further details.

The Wellington Section library is also missing a number of items which may be sitting forgotten on members' shelves – please scan the list below, and if anything sounds familiar it would be appreciated if you could check that it isn't on yours...

Request for gear donations

Gore High School started an outdoor education program three years ago and due to the range of activities that we do it has become a very popular choice. One of the trips that we do is an alpine camp where we spend several days in the snow building snow caves and doing basic mountain skills. We need more equipment in order to make this as safe and enjoyable as possible. We are trying to get more boots,

ice axes and any other items that people might have that are no longer required or are looking to get rid of.

If you have any thing that you think would be of use can you please contact Dale Kington on 03 208 9130 or at dkington@gore-high.school.nz

New Rates for Long-term Travel Insurance

As of July 1st we will be able to offer members unlimited hazardous activities cover at a flat rate for long-term trips from 121 up to 365 days in length. That means whether you are mountaineering, skiing, rock climbing or trekking you will no longer have to specify dates, but have unlimited cover for these activities throughout the whole trip. This is an extension to the existing scheme, so the same policy conditions apply as before. Prices range from \$3.20 to \$7.50 per day

for standard travel and from \$5.00 to \$7.50 per day for high-risk travel cover depending on the length and destination of your trip.

Our thanks to Peter Garrett of Alpine Risk Management and ACE Insurance for their on-going support of our members' travel insurance needs. For enquiries please contact insurance@alpineclub.org.nz

Proposed Rules Revision for Wellington Section

Dear Members,

You may or may not be aware that Wellington Section has a set of rules called the By-Laws. We don't know when they were first adopted but we do know that the last amendment to them was passed way back in 1966.

One of the current by-laws that you may find amusing is that "The annual levy for members of the Section shall be the sum of Five Shillings (5/-)...."

Committee thinks its time we brought the rules up to date.

We feel that it is still important that we have some rules to follow but think that it is impracticable to amend the existing By-Laws – they are out of date in just so many ways.

So it is proposed that we adopt a completely new set of rules. These new rules are attached in this issue of Vertigo for your perusal. They are more concise and have been designed to completely align with the Rules of the Club which have changed somewhat from when our By-Laws were first adopted.

We will be putting these new rules up for adoption by the Section at the 2011 AGM in September.

Please feel free to submit any feedback on this proposal to me before 31st Aug 2011 at jw@nzalpine.wellington.net.nz or write to:

The Secretary
NZAC Wellington Section
P.O. Box 1628
WELLINGTON

And if your interest extends that far I can even send you a copy of the old By-Laws for some light bed time reading.
